11. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

- 11.1 As required under the Buyback Regulations, the Company has fixed Friday, July 03, 2020 as the record date (the "Record Date") for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buvback.
- 11.2 The Equity Shares to be bought back as part of the Buyback are divided into two
- i. Reserved category for small shareholders; and
- General category for all other shareholders.
- 11.3 As defined in Regulation 2(i)(n) of the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on Record Date, of not more than ₹2,00,000/- (Rupees Two Lakhs only).
- 11.4 In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this
- 11.5 On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

11.6 In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure

that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the small shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies, clearing members etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat
